Energy Efficiency Rating		Environmental Impact (CO ₂) Rating	
Current	Potential	Current	Potential
62	74	54	66

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
 The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.

Directions:

From the south of Kendal turn left just after Kendal College onto Vicarage Drive. Continue along to the top of the road and at the T junction turn right into Stainbank Road. Heath Close is a turning on the right-hand side and the property can be identified by our board.
